CLERK OF THE
18TH JUDICIAL CIRCUIT
DUPAGE COUNTY, ILLINOIS

PRELIMINARY APPROVAL ORDER

This matter having come before the Court on Plaintiff's Unopposed Motion in Support of Preliminary Approval of Class Action Settlement (the "Motion"), the Court having reviewed in detail and considered the Motion and memorandum in support of the Motion, the Class Action Settlement Agreement ("Settlement Agreement") between Plaintiff Jasmine Locke and Defendant Fidelitone, Inc., (together, the "Parties"), and all other papers that have been filed with the Court related to the Settlement Agreement, including all exhibits and attachments to the Motion and the Settlement Agreement, and the Court being fully advised in the premises,

IT IS HEREBY ORDERED AS FOLLOWS:

1. Capitalized terms used in this Order that are not otherwise defined herein have the same meaning assigned to them as in the Settlement Agreement.
2. The terms of the Settlement Agreement are preliminarily approved as fair, reasonable, and adequate. There is good cause to find that the Settlement Agreement was negotiated at arm's-length between the Parties, who were represented by experienced counsel.
3. For settlement purposes only, the Court finds that the prerequisites to class action treatment under Section 2-801 of the Illinois Code of Civil Procedure – including numerosity,

commonality and predominance, adequacy, and appropriateness of class treatment of these claims – have been preliminarily satisfied.

4. The Court hereby conditionally certifies, pursuant to Section 2-801 of the Illinois Code of Civil Procedure, and for the purposes of settlement only, the following Settlement Class consisting of:

“All individuals who used the Time-Keeping System at Defendant’s facilities within the State of Illinois between January 19, 2016 and October 8, 2024 without first signing a written consent form”

5. For settlement purposes only, Plaintiff Jasmine Locke is hereby appointed as Class Representative.

6. For settlement purposes only, the following counsel is hereby appointed as Class Counsel:

Arun Ravindran, Esq.
Hedin, LLP
1395 Brickell Avenue
Suite 610
Miami, Florida 33131

7. The Court recognizes that, pursuant to the Settlement Agreement, Defendant retains all rights to object to the propriety of class certification in the Litigation in all other contexts and for all other purposes should the Settlement not be finally approved. Therefore, as more fully set forth below, if the Settlement is not finally approved, and litigation resumes, this Court’s preliminary findings regarding the propriety of class certification shall be of no further force or effect whatsoever, and this Order will be vacated in its entirety.

8. The Court approves, in form and content, the Class Notice, attached to the Settlement Agreement as Exhibit A, and finds it meets the requirements of Section 2-803 of the Illinois Code of Civil Procedure and satisfies Due Process.

9. The Court finds that the planned Notice set forth in the Settlement Agreement meets the requirements of Section 2-803 of the Illinois Code of Civil Procedure and constitutes the best notice practicable under the circumstances, where Class Members worked at Defendant's facilities and may be readily ascertained by Defendant's records or those of third-parties, and satisfies fully the requirements of Due Process, and any other applicable law, such that the Settlement Agreement and Final Approval Order will be binding on all Settlement Class Members. In addition, the Court finds that no notice other than that specifically identified in the Settlement Agreement is necessary in this action. The Parties, by agreement, may revise the Class Notice and Claim Form in ways that are not material, or in ways that are appropriate to update those documents for purposes of accuracy or formatting for publication.

10. Analytics Consulting, LLC is hereby appointed Settlement Administrator to supervise and administer the notice process, as well as to oversee the administration of the Settlement, as more fully set forth in the Settlement Agreement.

11. The Settlement Administrator may proceed with the distribution of Class Notice as set forth in the Settlement Agreement.

12. Settlement Class Members shall be bound by all determinations and orders pertaining to the Settlement, including the release of all claims to the extent set forth in the Settlement Agreement, whether favorable or unfavorable, unless such persons request exclusion from the Settlement Class in a timely and proper manner, as hereinafter provided. Settlement Class Members who do not timely and validly request exclusion as set forth in the Settlement

Agreement shall be so bound even if they have previously initiated or subsequently initiate litigation or other proceedings against the Defendant or the Releasees relating to the claims released under the terms of the Settlement Agreement.

15. Any Person within the Settlement Class may request exclusion from the Settlement Class by expressly stating his/her request in a written exclusion request. Such exclusion requests must be received by the Settlement Administrator electronically via the Settlement Website, or at the address specified in the Class Notice in written form, by first class mail, postage prepaid, and postmarked, no later than **December 13, 2024**.

16. In order to exercise the right to be excluded, a person within the Settlement Class must timely send or electronically submit a written request for exclusion to the Settlement Administrator providing his/her name and address, a signature, the name and number of the case, and a statement that he or she wishes to be excluded from the Settlement Class, or by using the Exclusion Form which appears on the Settlement Website. Any request for exclusion submitted via first class mail must be personally signed by the Person requesting exclusion. Any request for exclusion submitted online may be signed electronically, which will be binding for purposes of the perjury laws of the State of Illinois and shall contain a statement to that effect. No person within the Settlement Class, or any person acting on behalf of, in concert with, or in participation with that person within the Settlement Class, may request exclusion from the Settlement Class of any other person within the Settlement Class.

17. Any person in the Settlement Class who elects to be excluded shall not: (i) be bound by any orders or the Final Approval Order; (ii) be entitled to relief under the Settlement Agreement; (iii) gain any rights by virtue of this Settlement Agreement; or (iv) be entitled to object to any aspect of this Settlement Agreement.

18. Class Counsel may file any motion seeking an award of attorneys' fees not to exceed two hundred and six thousand, one hundred-fifty dollars (\$206,150.00), inclusive of costs and expensive, as well as an Incentive Award of five thousand dollars (\$5,000.00) for the Class Representative, no later than **November 15, 2024**.

19. Any Settlement Class Member who has not requested exclusion from the Settlement Class and who wishes to object to any aspect of the Settlement Agreement, including the amount of the attorneys' fees, costs, and expenses that Class Counsel intends to seek and the payment of the Incentive Award to the Class Representative, may do so, either personally or through an attorney, by filing a written objection, together with the supporting documentation set forth below in Paragraph 20 of this Order, with the Clerk of the Court, and served upon Class Counsel, Defendant's Counsel, and the Settlement Administrator no later than **December 13, 2024**. Objections not filed and served in accordance with this Order shall not be received or considered by the Court. Any Settlement Class Member who fails to timely file and serve a written objection in accordance with this Order shall be deemed to have waived, and shall be forever foreclosed from raising, any objection to the Settlement, to the fairness, reasonableness, or adequacy of the Settlement, to the payment of attorneys' fees, costs, and expenses, to the payment of an Incentive Award, and to the Final Approval Order and the right to appeal same.

21. A Settlement Class Member who has not requested exclusion from the Settlement Class and who has properly submitted a written objection in compliance with the Settlement Agreement, may appear at the Final Approval Hearing in person or through counsel to show cause why the proposed Settlement should not be approved as fair, reasonable, and adequate. Attendance at the hearing is not necessary; however, persons wishing to be heard orally in opposition to the approval of the Settlement and/or Plaintiff's Counsel's Fee and Expense Application and/or the request for an Incentive Award to the Class Representative are required to indicate in their written objection their intention to appear at the Final Approval Hearing on their own behalf or through counsel. For any Settlement Class Member who files a timely written objection and who indicates his/her intention to appear at the Final Approval Hearing on their own behalf or through counsel, such Settlement Class Member must also include in his/her written objection the identity of any

Any Settlement Class Member who does not make his or her objection to the Settlement in the manner provided herein, or who does not also timely provide copies to the designated counsel of record for the Parties at the addresses set forth herein, shall be deemed to have waived any such objection by appeal, collateral attack, or otherwise, and shall be bound by the Settlement Agreement, the releases contained therein, and all aspects of the Final Approval Order.

23. All papers in support of the final approval of the proposed Settlement shall be filed no later than fourteen (14) days before the Final Approval Hearing.

24. Pending the final determination of the fairness, reasonableness, and adequacy of the proposed Settlement, no Settlement Class Member may prosecute, institute, commence, or continue any lawsuit (individual action or class action) with respect to the Released Claims against any of the Releasees.

25. A hearing (the "Final Approval Hearing") shall be held before the Court on **January 8, 2025** at 10:00 a.m. in Courtroom 2020 of the Circuit Court of DuPage County, 505 North Country Farm, Rd., Wheaton, Illinois 60187 (or at such other time or location as the Court may without further notice direct) for the following purposes:

(a) to finally determine whether the applicable prerequisites for settlement class action treatment under 735 ILCS 5/2-801 have been met;

(b) to determine whether the Settlement is fair, reasonable and adequate, and should be approved by the Court;

(c) to determine whether the judgment as provided under the Settlement Agreement should be entered, including an order prohibiting Settlement Class Members from further pursuing claims released in the Settlement Agreement;

(d) to consider the application for an award of attorneys' fees, costs and expenses of Class Counsel;

At or following the Final Approval Hearing, the Court may enter a judgment approving the Settlement Agreement and a Final Approval Order in accordance with the Settlement Agreement that adjudicates the rights of all Settlement Class Members.

27. Settlement Class Members do not need to appear at the Final Approval Hearing or take any other action to indicate their approval.

28. All discovery and other proceedings in the Litigation as between Plaintiff and Defendant are stayed and suspended until further order of the Court except such actions as may be necessary to implement the Settlement Agreement and this Order.
